## POSITION OPEN

### FACULTY POSITIONS IN PHARMACEUTICAL SCIENCES • UNIVERSITY OF OKLAHOMA COLLEGE OF PHARMACY

The University of Oklahoma College of Pharmacy invites applications for multiple faculty positions in the Department of Pharmaceutical Sciences. Tenure track positions are currently available for Assistant/Associate/Full Professors within the department.

The College of Pharmacy is located within the University of Oklahoma Health Sciences Center (OUHSC), a 325-acre comprehensive academic health center, recently noted for having one of the best academic institution work environments in the country by *The Scientist* (Nov. 2007). The OU Health Sciences Center has targeted growth in four broad areas: cancer, diabetes, neuroscience/vision and immunology/infectious disease.

Current research interests within the Department of Pharmaceutical Sciences include pharmacology/toxicology, pharmaceuticals, pharmacokinetics, pharmaceutical chemistry, immunology/infectious diseases and nuclear pharmacy. Successful candidates will be expected to contribute to teaching responsibilities of the department in these areas. At this time the department is undergoing a major expansion. Further information on the College of Pharmacy is available at: <http://pharmacy.ouhsc.edu/>.

Departmental faculty members may contribute to the Pharm.D., Ph.D. and Pharm.D./M.S. degree programs. Applicants must have a Ph.D. or equivalent degree in a pharmaceutical sciences

## POSITION OPEN

discipline or closely related field and meet the requirements to work in the United States. Highly qualified candidates will have significant post doctoral experience, a record of meaningful involvement in the education of professional and graduate students, and a strong track record of extramural research funding or industrial productivity. The successful applicant may also be eligible to receive an Endowed Professorship.

OUHSC is situated in the capital city of Oklahoma City; an area undergoing extensive revitalization and recently named the most recession-proof city in the United States by *Forbes.com* (April 2008). Oklahoma City is one of the most economically and geographically attractive major metropolitan areas in which to live.

Review of applications will begin immediately and continue until the positions are filled. Applicants should submit a letter of interest, complete curriculum vitae, description of research interest(s), and the names, addresses (postal and email), and phone numbers of at least three professional references to:
